

Listed below are the items needed for kindergarten this year. Please send these things to school as soon as you are able...the first day would be great! **All items will be kept to be used at school.** Your child must also have pencils, a pencil sharpener, crayons, scissors, and glue at home to complete homework. It may surprise you to learn that the textbook fee you pay does **NOT** cover the cost of supplies. It is important that you provide supplies for school and home to give your child the best opportunity for learning.

Lafayette Elementary School
