Student ID Cards - MIDDLE AND HIGH SCHOOL STUDENTS ONLY

The safety of all students and staff is the number one priority. All students must have their ID picture taken and on file. Students must have their ID card on their lanyard, around their neck, and visible to enter the building, classrooms, ride school city buses, and pass through the halls. This ID card is also used to check out library materials, to access student cafeteria accounts, and for identification purposes. Failure to have your ID card when requested by any staff/security member will result in disciplinary action. Any ID which has been altered, obscured or defaced is not valid and the student will be responsible for the cost of a replacement ID.
